

## SPEAK2 RANGE

Hybrid work has shifted the way we meet, so we set ourselves a challenge: to re-engineer the world-leading Speak Series for even better performance. **Get ready to Speak Up.**

CHALLENGE

80%

of all meetings are now either fully remote or hybrid.\*\*

37%

of employees say they often feel left out of the conversation in hybrid meetings.\*\*

42%

say they can't hear what's being said in hybrid meetings.\*\*

SOLUTION

Technology, engineered for hybrid working

**Microphone Quality Indicator** shows you how well your voice is being picked up\*\*\*

**Flexibility** with built-in USB A and USB C connectivity

Meeting equity: Inclusion & natural conversations

**Full Duplex** allows both ends to speak and be heard at the same time

**Voice Level Normalization** equalizes all voices to the same volume level\*\*\*

Advanced audio technology

**4 cutting-edge mics** with exceptional noise cancellation

**Super-wideband audio** for richer sound\*\*\*
